Kids Come First!

June 2020 Newsletter

June marks the end of a school year unlike any other. It has been a strange time with the COVID 19 health crisis and the immediate change to distance learning. We have all missed our familiar school routines as we have had to make the adjustments to working in isolation. We sincerely thank our students and families for their efforts to stay connected and work through this new method of learning. We miss you all! We know it hasn't been easy and we appreciate everything you have done to adapt.

We wish our grade fours the very best as they transition to Tofield school in the fall. We will have grade 4 farewells on June 25th. Respecting social distancing, we will have in-person good-byes to honour our grade fours as they move on. Teachers will be sending out information to the grade four students.

Each of the other grades will have drive by good-byes and Kindergarten will have curbside pick up. We will be handing out report cards, following safety protocols, to students during their good-byes. If you are unable to attend, report cards will be mailed out. The dates and times for these events will be on the calendar as well as shared by teachers. This will give everyone a chance to see their teacher and have some closure to this school year before summer holidays.

As the year comes to a close, I would like to thank the incredible staff at CW Sears for all of their amazing efforts working to make our school a great place even in these unprecedented times. Thanks as well to all of our parents and the school community for your support. Together we will continue to ensure success for all of our students.

"How lucky am I to have something that makes saying goodbye so hard." – A.A. Milne
