

Hello!

C.W. Sears is an elementary school that provides Early Learning, Kindergarten and Grade 1 to 4 programs. Our student population is just over 300. We believe that all students can learn and be successful. Our team of teachers and support staff work collaboratively to provide a school environment that is safe, caring and inclusive.

We enjoy welcoming families into our school to participate in events such as Family Literacy night, Remembrance Day Service, Christmas Concert and Celebrating Leadership Assemblies.

Our school serves families in Tofield and the surrounding area and our programming includes the Early Intervention (PUF) program and character education based on Michelle Bourba's book, Building Moral Intelligence (focusing on empathy, conscience, self-control, respect, kindness, tolerance and fairness). Students are encouraged to demonstrate excellent citizenship and are recognized for doing so.

Parents and families can connect with CW Sears School through our school website, agendas, newsletter, School Council meetings, and coming soon: our school Facebook page and Instagram.

If you are looking for additional information, please use the "Contact" link at the bottom of this page to find the school phone number, address or contact the school via email.

Thank you for visiting our website.
